FOUNDED 1876

Before you begin the search for how many times your photo has ended up in this year's yearbook, I wish to share some advice from Baz Luhrmann, which he put to music twenty years ago, the year I graduated - 1999. "Enjoy the power and beauty of your youth. Oh never mind; you will not understand the power and beauty of your youth until they have faded. But trust me, in 20 years you'll look back at photos of yourself, and recall, in a way that you can't grasp now, how much possibility lay before you how fabulous you rally looked." I hope that this yearbook is a reminder of the endless possibilities you each have and the great power for good that is found in each of us. Thanks for an awesome year!
Mr. Miller

P.S. Look up the song, you will like it, and most of it is true: Baz Luhrmann - Everybody's Free (to Wear Sunscreen).

DEDICATED TO:
Mrs. Young

Mrs. Claire Young stated her kindergarten journey in 1994 and in the Spring of 2019 she finally gets to graduate! That's 25 years - WOW! Should we all do the "Tooty Tot" in her honor? Come on you kindergarteners, remember the fun graduation songs and infamous dance! What a fun time had by all!

Mrs. Young has been a wonderful teacher and advocate for her students. From her "Heart words" to pulling out at least 20,000 teeth. From music programs to Red Ribbon Week. From passing out books to students to Word Wizards. She will forever be in our hearts and minds.

Claire has a magical touch that can transform a room full of kindergartners talking and doing their own things into a room full of engaged learners. Students learn in Mrs. Young's classroom. Many of you reading this now learned to read and sound out words under her guidance. You had your first experiences reading a little Bob Book and your journey in reading took flight.

Mrs. Young also was a master colleague and worked very hard every year to help Joseph City Elementary School improve and be a better place for learning. As a last task, she took on teaching kindergarten all day this school year. This has been an experience of great return. Students have learned so many things under her direction. Mrs. Young and her students have really blossomed in learning this school year.

To Mrs. Young we will be forever grateful! Words can not express the deep appreciation that will be held in our hearts and minds for your endearing service to us all. We wish you the best in your new pursuits and hope tha tyou know that whenever we have a wiggly tooth or hear the "Tooty Tot" we will excitedly remember the wonderful experiences we had with you!

Sincerely, Mr. Hutchens - Elementary Principal

◆

We will always be grateful for the wonderful teacher that Mrs. Young has been at Joseph City Elementary School. She has been welcoming and kind to many Joseph City students that have entered her classroom over the past 29 years. Thank you very much Mrs. Young for all that you've done for the students who have had the fortune of having you as a teacher. Best wishes -- B. Fields

As the year comes to an end, I find myself reminiscing about the changes that this student council has brought to ou school. They are a good group of students who worked hard and implemented lots of spirit and new ideas. The scho year started with a "Back to School Sock Hop" and many fashionable socks were worn. Our Homecoming theme wa "Route 66" with one of the highlights being the famous Jackrabbit attending our dance, as well as a "Fry Daddie Diner" (Mr. Miller & Mr. Neal) cooking up diner foods. Sadies turned into "MORP" with a circus theme complete wit cotton candy that was a big hit!

High School Student Council teamed up with the Jr High Student Council this year and served a pumpkin waffl breakfast in the fall and hot chocolate for the winter festivities for the whole student body! Lots of food and fu memories were made those days! We also teamed up with the Jr High and did the morning announcements for th school.

Pep assemblies got a big shake up this year! Mr. Miller had the opportunity to dress up as a holly jolly elf and show of his "Moon Walking" skills. The student body also had a great time having a big paper snowball fight with the Jr High v High School -- a tie was called just as the lunch bell rang. "Sweet Caroline" was a favorite song the students belted out a the Holiday dance which was held in the North Hall.

This has been a great year with excellent leadership and hard work. Thanks to all the students for the effors and contributions made to make this year a fantastic memorable year! - Mrs. Neal

◆

First of all, let me say what an inspiring group this year's Junior High Student Council was. They had an absolutely fabulous year! They have done more this year than in previous years and had a few "firsts". First, we added 6th grade to our Student Council which added four more students to our group. Another first was we traveled to a student council leadership workshop down in Mesa. We got some good ideas and decided to implement them. One of those ideas was having our own juior high pep assembly which we did. Our Student Council did a superb job organizing and executing it. An additional first we fulfilled this year was that we joined forces with the High School Student Council and stared doing the morning announcements over the intercom to promote spirit and unity. Together we also provided a scrumptious waffle breakfast as well as a hot chocolate morning for the school.

Along with the dances that we usually plan and carry out, we sold suckers for a fundraiser, but council members had to sell double what they normally sell to fund all of the new activities that we added.

We always end our year giving our student council a day of fun to show appreciation for their hard work and dedication to their positions. This year's Student Council totally deserved this day because they were accountable and were true to their responsibility of promoting school spirit and making this year extrordinary. Thank you Junior High Student Council. This is one that goes in the books! Just love ya!!! -- Mrs. Elmer

"We take photos as a return ticket to a moment otherwise gone." What a great group of students that have made our yearbook class awesome! It takes a lot of hard work, creativity, and wildcat pride to make our school great! These students worked hard all year to accomplish this! Thanks to them we have documented all the happenings and memories throughout the year with the wildcat paws and sports emblems lining the hallways, and creating this memorable yearbook! It has been a real pleasure to work with this group of students and I really appreciate how they come into class eager to get their assignments donne! Thanks for the memories and the "return ticket" to enjoy in the future! Good luck to all of you! - Ms. Clifford

The 2018 football season was great! This season could be considered the year of the comeback! The Wildcats advanced to the quarterfinals for the first time in quite a while. We went 5 - 3 in the regular season. This included signature comeback wins over Valley Union, where the Wildcats were down 22 - 0 at one point, and NFL Yet, where Wildcats were down 36 - 32 at the half, but came roaring back in both games to enjoy great victories both times! The team endured a tough loss at the beginning of the season to Bagdad in the Sky Dome at NAU 26 - 20 where they had come back to tie it up in the fourth quarter, but ended up with a loss. During the season, the athletes played multiple positions and several of them played both ways and hardly ever came off the field. The first round of the play-offs was held at Ft. Thomas and was a classic, all time, type of game! The Wildcats came back from 24 points down with three minutes left in the third quarter. After three overtimes the Wildcats walked away with a win! This game was one of the funnest games I have ever participated in as a player or a coach; however, it was also one of the most nerve racking games I have ever coached. I couldn't be more proud of this team and their accomplishments this season! I really appreciate the hard work and determination that each athlete put in every day at practice as well as at the games! Thanks for an amazing season! - Coach Larsen

Cattitude! Our team was very young, only Leigh and Kinsley had varsity game experience. Only 15 girls finished the season playing on the Freshman, Junior Varsity, and Varsity teams. Savannah and Neleigha often played in all three matches. Our schedule was rough. Homecoming week we played four Varsity matches plus the Freshman and JV matches. We ended up beating only Grand Canyon. We had a positive experience at the Ash Fork classic, taking third place. We finished the season with a record of three wins and fourteen losses. Jessica Baldwin worked hard as a team manager and we appreciated all the support we received from the community. Alumni Shannon Mosier was the JV coach while Linsey Miller, Charlsye Miller and Taura Dobbs shared their expertise during practices this season. Senior Shyla really stepped up this year bringing enthusiasm and leadership. She always seemed to provide a needed spark during the matches. We always improve throughout the season, unfortunately, where we end the season is where we need to start the season. Step it up team 2019, let's play. - Coach Mosier

GOOD JOB LADY WILDCATS!

This year has brought lots of firsts and the most runners that our Cross Country team has ever seen! We had our first girl State Qualifier, Kaylie Gardner, as well as our first foreign exchange student, Cece (Celina) Hubner, from Germany. Kimberlin Johnstun joined this year's girls team, as well as DJ Beatty joining the boys team. We were unable to qualify for state as teams didn't have enough runners, yet Talon, Jacob and Kaylie all qualified for Division IV state meet. We had injuries that we were treating most of the season. Sadly our section is the top section in the state, making it a hard section to qualify in; however, the athletes that qualified did remarkable! Talon placed fourth with a PR of 16:43.4 - four seconds faster than the previous year. I will miss the Senior athletes, but I wish them the very best in their next adventure. For the underclassmen I say, "New year, new goals, and hopefully some new faces!" Thanks for a great season!

The Lady Wildcat basketball team had an enjoyable 2018-19 season. Once our Lady Wildcats stepped in the gym for the first practice, they practiced hard, played with all their hearts, and never, ever gave up! It did not matter what was asked of them, they gave their all. We are grateful to each of you ladies for your undying commitment and determination to get better every day. We are especially grateful to our seniors: Kylee Flake, Kaylie Gardner, Celina Hubner, and Shyla Jesmer. We want them to know that their example and drive will be missed! Thank you ladies for an awesome season and we are looking forward to the 2019-20 season! Coach Bushman, Hutchens, Halbison, and Johnson

The boys basketball team had another successful season. We finished as region runner-up and made the playoffs where we lost to the eventual state runner-up team. The team worked hard the entire season. At the start of the season one glaring weakness for our team was defense but the team worked and worked and by the end of the season we finished as one of the top ten defenses in JCHS boys basketball history in total points. - Coach Miller

The 2018 -19 wrestling season can only be viewed as a resounding success in my opinion. Joseph City wrestlers qualified 5 wrestlers for the state tournament and amassed 49 team points placing 12th overall. In Division 4, which JC competes has 25% of all of the wrestling teams in the state assigned toit. This means that JC competes with teams with as much as 7-8 times our enrollment. Finishing this well is an impressive finish for any program, especially one of the smallest schools enrollment-wise in the state!

We entered six wrestlers into the region wrestling tournament and five qualified for the state tournament. Of the five, three of them placed and earned "All-State" honors. Senior Cameron Baldwin placed 4th at 145 lbs., Senior Eligh Ashcroft placed 5th at 160 lbs., and Freshmen Terrell Kinlicheenie placed 4th at 106 lbs. Junior Ethan Hansen 138 lbs. and Sophomore Reese Ashcroft 285 lbs. had excellent showings. We are excited for the future to see Ethan, Reese and Terrell continue on to lead the 2019-20 season.

Another highlight of the season is Cameron, Terrell, and Eligh won 50 or more matches which put them in the exclusive 50 match club! Terrell also joined the 100 takedown club. Aside from the wins, losses, takedowns, and falls, the measure of the season can best be measured in the quality of young men who choose to be a part of our wrestling family this year. The atheletes bonded and supported each other and the new memebers settled in like "chameleons", land speed records were attempted, and memories that will last a lifetime will endure. And that in and of itself make the wrestling season an unquestioned success. - Coach Fischer

The Joseph City baseball team start to the 2019 season was delayed by weather. The scrimmage game and first scheduled game of the season were cancelled due to snow storms. As play got under way, the Wildcats played well, but lost a few close games; but would rebound and win some games big. Other games throughout the season were cancelled or forfeited due to scheduling issues. With two games to play against rival Mogollon, the Joseph City baseball team had a 7-6 record and are ranked 12th in the 1A conference. It appeared that the Wildcats will make the state playoff for a fourth year in a row.

Thanks to the efforts of the assistant coaches of Eldon Larsen, Brandon Massey, Robert Larsen, and Jesse Hulsey the team has made great improvement throughout the season. I would like to thank all the parents and the administration for another great baseball year at Joseph City High School. - Coach Layden

"Consult not your fears but your hopes and dreams. Think not about your frustrations, but about your unfulfilled potential. Concern yourself not with what you tried and failed in, but with what it is still possible for you to do." - Pope John XXIII

This season has brought a mixed bag of potential realized, struggling to find, and potential frustrated. Our team was made up this year of a mixture of seasoned athletes, a few newbies, and a few in the midst of their high school career in track and field. We started out slow as the weather was uncooperative and we had the majority of our athletes heavily involved in other sports and school activities that arequired a sharing of talent. This got us started a little late competition wise.

As the season has progressed, we have seen steady improvement. My goal for each athlete is to not only try their best always, but to improve their performance from their last competition. Most of the time this was accomplished.

We have a large group of throwers this year and they have consistently improved throughout the season. At the writing of this letter, both Khylee Flake and Hailey Rush are provisionally qualified to throw at state.

Our sprinters have worked hard this year and have shown steady improvement. Kaylie Gardner will compete at state in the 300 meter hurdles and the 800 meter run. I am loking forward to strong competition from my sprinters in the coming year.

My middle/long distance team have done a fantastic job thisyear. Talon Smith broke yet another school record in the open 800 by running 1:55.10, this time ranks him second in the entire state across all divisions. He is qualified in the 800, 4x800, 1600 meter, and 3200 meter for state finals. Jacob Bushman and Seth Hutchens are close behind him with qualifying times and they too are qualified to compete at state in the open 800. They, along with eligh Ashcroft, are also entering the state finals for the 4x800 ranked second in our division.

One of the things I love about track and field is the opportunity it affords athletes to test their mettle, determine what they are made of, and what they can accomplish. Well done JCHS Track team of 2019!

SUCCESS IS NO ACCIDENT, IT IS HARD WORK!

The Junior High Football team had a successful season in 2018. Through hard work and a great attitude, the team finished 3-3, despite having a new coaching staff, offensive system, defensive system. Not too mention a new special teams system. Fourteen eighth grade players finished their Junior High careers and will be eligible to join the high school team next season. If the members of this team will continue to work and develop their skills while supporting each other, as they did this year, great things are in store for them, and the Wildcat football fans. Joseph City Jr. High Softball is always an adventure for sure and this coach loves to experience any softball adventure!! We started out by having twenty girls come out to experience and learn and grow through this sport. As we coached these girls, I came to realize that these ballers have got a lot of fight and were born to play Wildcat Ball! Our seventh grade ballers did so well and our highlight win for them was beating Snowflake on their home diamond, as well as our eighth grader ballers did, when we visited the Blue Ridge Yellowjacket diamond. Coach Hutchens, Coach Haley and I are so proud of the talent these young girls have, and we are excited to see what they will accomplish throughout their careers as Lady-Cat Ballers! We had a lot of girls come out for the Jr High volleyball this year! We had twelve 6th grade girls come out and they were able to practice and scrimmage on home games. This extra year is going to help them be ready for next year. The 7th grade team had great success! They played hard and won the Show Low tournament. They are stacked with talent and willingness to work hard to get better. The 8th grade team improved dramatically throughout the season. They were dedicated to playing at a high level. I know they are going to really help out our high school teams next year. I loved coaching these girls and I know they will go far on the court and in life!

We are so proud of you! You have accomplished a lot of things so far. We can't wait for all the new things you will accomplish. We have seen you do your best in football, basketball, and volleyball, as well as track and field. Watching you learn, practice and put your soul into pow wow has been wonderful. From our eyes, you are a determined young woman. Continue pushing for your goals and dreams. If you fall, get back up, dust yourself off, and try again. Keep going forward! Remember your loved ones will always cheer you on and be proud of you! We love you Cyerra! Mom Charl

8TH GRADE HUG NOTES

DAREN

We are so proud of you, we couldn't have asked for a better son than you! You're truly a blessing to your father and I. You've reached another milestone in your life; it was like yesterday I was dropping you off at kindergarten and now you will be entering high school! I am sad, but so very happy for you! You've come a long way and accomplished so much. Keep going and don't look back! Make the next four years in high school memorable and always remember we have your back. We love you so much son!

Love, Mom & Dad

"Do the best you can until you know better. Then when you know better, do better."

Bridger,

Keep Reaching High!

We are so proud of you and the awesome young man you are!

Love, Mom and Dad

You are an amazing young man!! We are so excited to watch you and see the awesome things you will do these next few years!!

Love, Your family

Cyerra Charisse Yazzie,

We are so proud of you! You have accomplished a lot of things so far. We can't wait for all the new things you will accomplish. "It is not enough just to live,
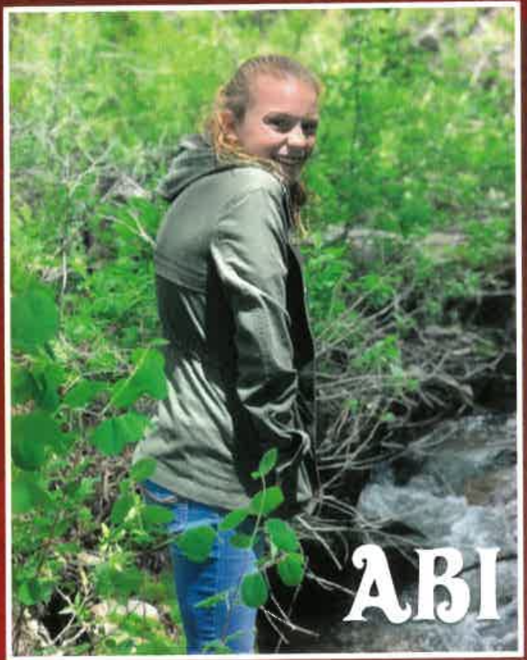
just to survive . . . we must let
our light shine to help
illuminate a darkened world.
And this is made possible
through learning, through
educating ourselves, through
progressing and growing in
both mind and spirit."
- Gordon B. Hinckley



Hip-Hop, Hippy!
We love you, our baby. Good luck in high school and remember, "It is ONLY High School". Use your talents and compassion to make friends, be kind and be the friend that you want to have.
Love you most, Dad & Mom

We are so proud of you and the things you have accomplished. You have always loved to run and we have loved watching you use that talent and determination to accomplish great things. Nothing makes us as proud as we are with your dedication to serve the Lord. Always put the Lord first and you will accomplish great things. Run that race with patience - Hebrew 12:1 Love, Mom & Dad

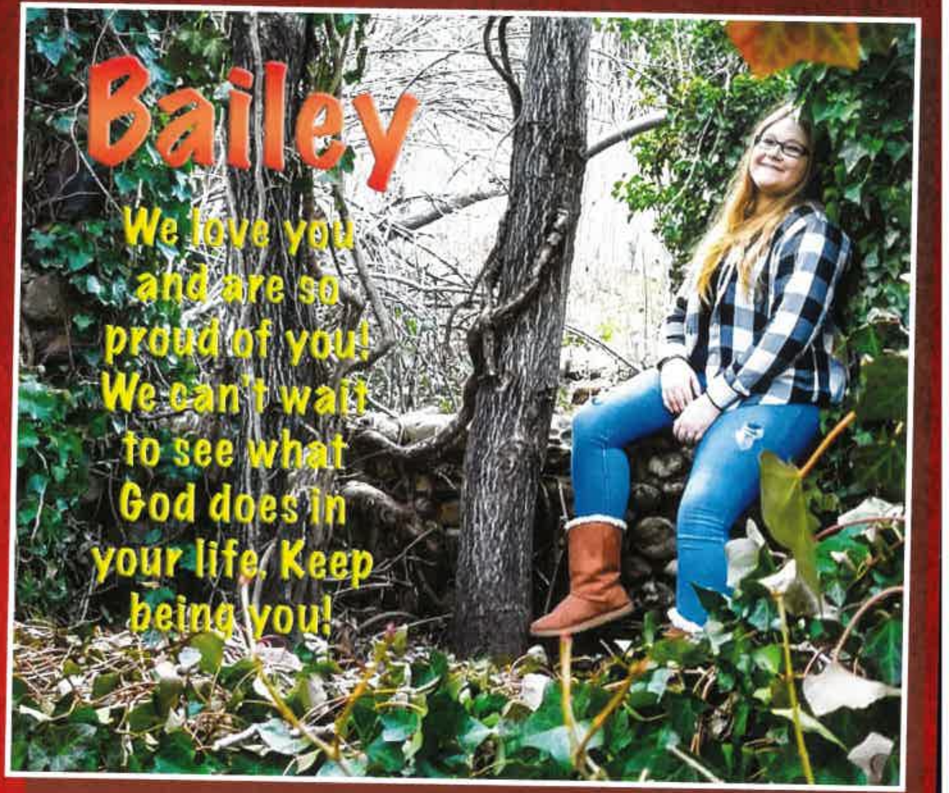
"You're on
your own.
And you know
what you
know. And
you are the
only one who
will decide
where you
will go."

- Dr. Suess

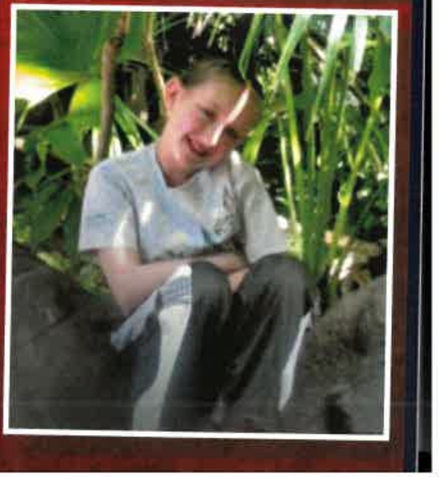
As we go on,
we remember all
the times we spent
together and as
our lives change
come whatever,
we will still be
friends forever!



Bailey

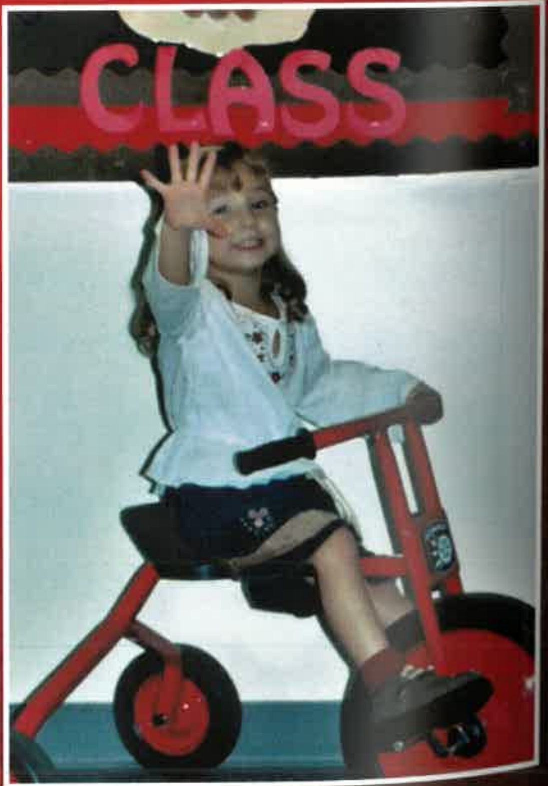
We love you and are so proud of you! We can't wait to see what God does in your life. Keep being you!

Our dearest Brooklyn,
You are our last child to graduate high school!
Raising you has been such a joy!
We couldn't be more proud of you.
Oh, the places you'll go the people you'll meet,
the things you will see the memories you'll keep.
All our love,
Mom, Dad & family

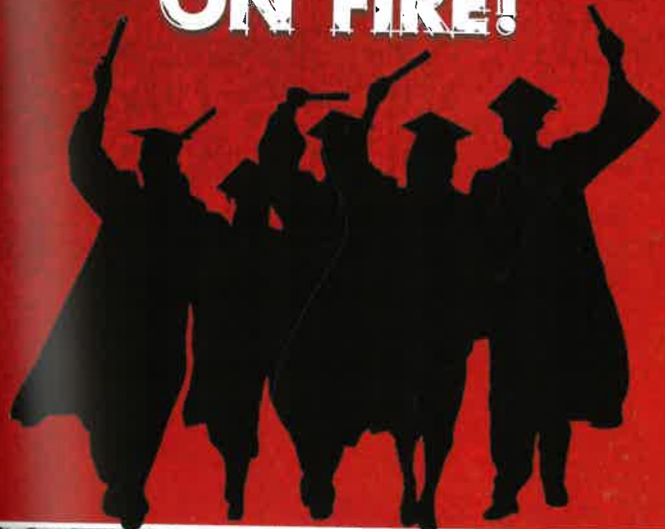


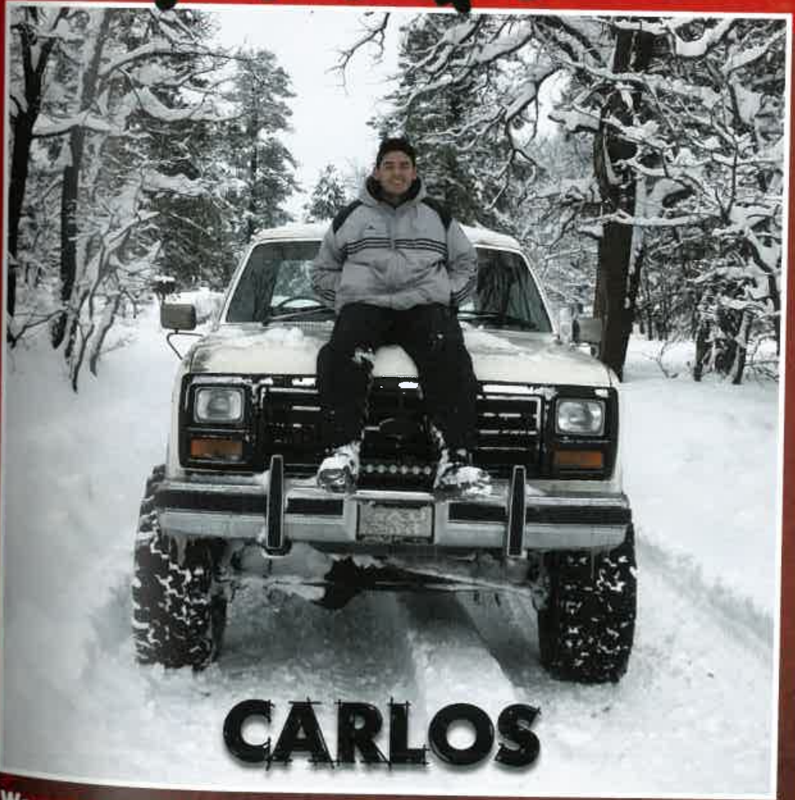
women like you
don't happen often
never forget about
how rare you are
- r.h. Sin

You have always seen what others miss,
And cared for those not seen,
You have often chosen the harder road,
May your courage continue,
Your adventure take you where you dream to go,
And your heart remain true and un-shadowed.
The world is a brighter place with you in it,
So, sing your song. . .
Tell your story. . .
Create your masterpiece. . .
and be happy!
Love, Your Family



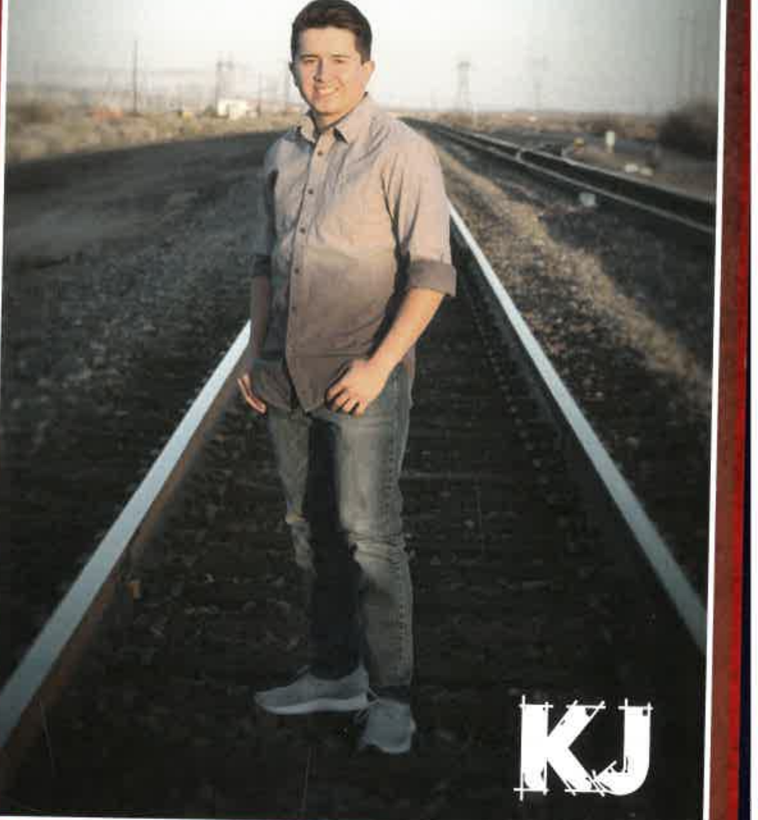
BE FEARLESS IN THE PURSUIT OF WHAT SETS YOUR SOUL ON FIRE!





We are so proud to be your parents. You have brought so much joy to our lives. We have enjoyed you from when you were a little boy and now the young man you have become. We can't wait to see what the future will bring for you.
We love you - Mom & Dad

We are proud of you and your accomplishments!
Always remember the future is as
bright as your faith!
Love, Dad, Mom & the rest of the clan



Congratulations! YOU ROCK,
but remember you are just another #SD!
Love, Mom & Dad
